K1 Britannia Foundation & Rapid Response Team Foundation  
R, 43 Front St, Philipsburg  
Sint Maarten

To the Management of K1 Direct & Rapid Response Team Foundation,

It has come to my attention that the team that was deployed from your organization to the earthquake response in Haiti, was working – until this week- very closely with our WFP team at the Port-au-Prince airport, as well as the US forces deployed to support the humanitarian community for the emergency.

I understand that the team of K1 Direct has worked side-by-side with our staff, enduring long and hot days, and never wavering to lend a hand when needed. The close coordination between our teams, as well as the dedication and can-do attitude of each individual, did not go unnoticed.

To your organization as a whole, but specifically to the people that took part in this (in no particular order):

- Alan Schlet
- Jonathan Page
- Josiah Lamothe
- Roger Matros
- Priya Thirumur
- Priya Misir
- Laura Hartman
- Chiaira Bowers
- Cheryl Raymond

Please accept, on behalf of WFP, a heartfelt: thank you for their efforts - it made all the difference.

The particular times that we are living in have shown, once again, that cooperation and teamwork remains the key to moving forward and that no one entity is capable of responding alone, and we look forward to working alongside your teams again in the future.

On behalf of  
Pierre Honnorat, WFP Haiti Country Director

Marc Andre Prost, Deputy Director, Haiti
